Case 3:17-cv-00939-WHA Document 2036-11 Filed 10/20/17 Page 3 of 7

1	MR. BAKER: Object to the form.	03:31:35
2	THE DEPONENT: I'm sorry, say that one	
3	more time.	
4	Q. (By Mr. Boock) Is it your opinion that	
5	at this stage of the investigation,	03:31:39
6	Anthony Levandowski was not a focus of the	0.84
7	investigation?	
8	A. I don't believe he was a focus.	
9	Q. Okay. All right. Turning to	
10	paragraphs 30 through 32 well, we'll go to 30,	03:32:00
11	but there it is that "On August 23rd, 2016, the	
12	forensics team met with attorneys and other	
13	investigators to discuss the ongoing investigation.	
14	That same day, Mr. Pfyl created a tracking document	
15	to coordinate the investigation entitled "Chauffeur	03:32:19
16	Departures Investigation."	
17	And who were they who who was Waymo	
18	looking at? What what employees were they	
19	looking at at that point in the investigation?	
20	A. I don't recall.	03:32:41
21	Q. Was it employees who were leaving Waymo	,
22	for Ottomotto?	
23	A. I don't know.	
24	Q. The next in order was 3008, you said?	
25	MR. BAKER: Yes.	03:33:15

Case 3:17-cv-00939-WHA Document 2036-11 Filed 10/20/17 Page 5 of 7

1	investigations, is it appropriate for outside	04:37:58
2	counsel to be providing facts to Waymo and Waymo	
3	asking outside counsel what the sources of those	
4	facts are?	
5	A. Absolutely. I have seen it done many	04:38:15
6	times.	
7	Q. Well, is it does it appear that	
8	Waymo's conducting investigation or the	
9	Keker & Van Nest firm is conducting the	
10	investigation?	04:38:27
11	A. Waymo is conducting the investigation.	
12	Q. And when when you see that Mr. Gorman	
13	has undertaken investigative steps such as those	
14	identified in the email we have been discussing at	
15	page 86896 and Gary Brown doesn't even know where	04:38:39
16	the source of that information is coming from, you	
17	don't think that Keker is doing any of the	
18	investigation on its own?	
19	A. What I believe is Keker is getting access	
20	to information that Mr. Brown may not have access	04:38:55
21	to or may not even know about, because, you know,	
22	Mr. Gorman's at a higher-level investigation. He	
23	sees the bigger picture of what of what Waymo	
24	needs as far as figuring out the fact pattern, and	
25	so it's not uncommon for the attorneys and the	04:39:15
		Page 221

Case 3:17-cv-00939-WHA Document 2036-11 Filed 10/20/17 Page 6 of 7

1	legal folks to get access to documents and logs and	04:39:19
2	pass them down to other parts and other individuals	A 63
3	and other divisions. Especially in a large	10
4	company, I have seen that on numerous occasions.	
5	Q. Well, then, based on this, would you	04:39:33
6	agree, then, that Mr. Gorman is telling the	
7	investigators at Waymo what what happened with	
8	Mr. Levandowski?	
9	A. No, not at all. He's providing a log to	
10	them and then asking them the question to, you	04:39:45
11	know, inspect this further, see what it means.	,
12	Q. Well, and he says "isn't this	1
13	suspicious," doesn't he?	:
14	A. Well, that's a question. I mean, that's	
15	not to me, that's not him imparting, like,	04:39:56
16	knowledge on someone. It's like, you know, hey,	
17	did you see that car speeding down the road	· i
18	Q. Is it	
19	A is that suspicious?	
20	Q. Is it your testimony I'm sorry. I'm	04:40:09
21	not I'm not reading it inaccurately.	
22	Is it your testimony that when someone	
23	writes "that's pretty suspicious, right?" that that	
24	is not an inference that there might be some	
25	suspicion attributed to that activity?	04:40:20
